### 7. RECOMMENDATION

The Directors believe that the granting of the Issue Mandate and the Repurchase Mandate are in the best interests of the Company and its Shareholders as a whole. Moreover, the necessary information regarding the re-election of the Directors at the 2024 Annual General Meeting is already set out herein for consideration. Accordingly, the Directors recommend that all Shareholders should vote in favour of the related resolutions to be proposed at the 2024 Annual General Meeting.

Yours faithfully,  
By Order of the Board  
**Hopefluent Group Holdings Limited**  
**ZHU Rongbin**  
*Chairman*

This appendix I serves as an explanatory statement, as required by the Listing Rules, to provide requisite information to Shareholders for their consideration as to whether to vote for or against the ordinary resolution to be proposed at the 2024 Annual General Meeting for granting the Repurchase Mandate.

This explanatory statement contains all the information required pursuant to Rule 10.06 of the Listing Rules which is set out as follows:

### **SHARE CAPITAL**

As at the Latest Practicable Date, the Company had in issue an aggregate of 674,149,989 shares of HK\$0.01 each which are fully paid.

Subject to the passing of the ordinary resolution no. 5 as set out in the notice of 2024 Annual General Meeting and in accordance with the terms therein, the Company would be allowed under the Repurchase Mandate to repurchase fully paid shares up to the aggregate nominal amount of a maximum of 67,414,998 shares on the basis that no further shares will be issued or repurchased prior to the 2024 Annual General Meeting.

### **REASONS FOR SHARE REPURCHASE**

Although the Directors have no present intention of repurchasing any securities of the Company, they believe that the flexibility offered by the Repurchase Mandate would be beneficial to the Company and its Shareholders. Trading conditions on the Stock Exchange have sometimes been volatile. At any time in the future when securities trading at a discount to their underlying value, the ability of the Company to repurchase securities will be beneficial to those Shareholders who retain their investment in the Company since their interests in the assets of the Company would increase in proportion to the number of securities repurchased by the Company and thereby resulting in an increase in net asset value per share and/or earnings per share of the Company. Such repurchases will only be made when the Directors believe that the repurchases will benefit the Company and its Shareholders as a whole.

### **FUNDING OF REPURCHASES**

In repurchasing securities, the Company may only apply funds legally available for such purpose in accordance with the memorandum and articles of association of the Company and the applicable laws and regulations of the Cayman Islands. Securities may only be repurchased out of the profits of the Company or out of the proceeds of a fresh issue of shares made for the purpose of repurchase. The premium, if any, payable on repurchases must have been provided for out of the profits of the Company or out of the Company's share premium account before or at the time the securities are repurchased. The Company may not purchase securities on the Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange from time to time.

**SHARE PRICES**

During each of the twelve months preceding the Latest Practicable Date, the highest and lowest prices per Share at which shares of the Company were traded are as follows:

	Share price	
	Highest <i>HK\$</i>	Lowest <i>HK\$</i>
<b>2023</b>		
April	2.41	2.12
May	2.52	1.74
June	1.86	1.67
July	1.75	1.55
August	1.50	1.18
September	1.08	0.87
October	0.95	0.81
November	1.39	0.90
December	1.29	1.10
<b>2024</b>		
January	1.27	1.03
February	1.05	0.53
March	0.60	0.50
April to the Latest Practicable Date	0.51	0.46

**REPURCHASES MADE BY THE COMPANY**

Neither the Company nor any of its subsidiaries has purchased any of the Company's shares (whether on the Stock Exchange or otherwise) in the six months immediately preceding the Latest Practicable Date.

**POSSIBLE MATERIAL ADVERSE IMPACT**

There might be material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited accounts for the year ended 31 December, 2023) in the event that the Repurchase Mandate was to be carried out in full at any time during the proposed repurchase period. However, the Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the Company's working capital requirements or the gearing levels. The number of shares to be repurchased on any occasion and the price and other terms upon which the Shares are repurchased will be decided by the Directors at the relevant time having regard to the circumstances then pertaining.

**DIRECTORS' UNDERTAKING**

The Directors will exercise the powers of the Company to make repurchases under the Repurchase Mandate in accordance with the Listing Rules, laws of the Cayman Islands and the regulations set out in the memorandum and articles of association of the Company and that neither this explanatory statement nor the Repurchase Mandate has unusual features.

**EFFECT OF HONG KONG CODES ON TAKEOVERS AND MERGERS AND SHARES BUY-BACKS**

If as a result of share repurchase by the Company, a substantial shareholder's proportionate interest in voting rights of the Company increases, such increase will be treated as an acquisition for the purpose of the Takeovers Code. Accordingly, a Shareholder, or group of Shareholders acting in concert, could, depending on the level of increase in the interest of shareholdings, obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rules 26 and 32 of the Takeovers Code.

As at the Latest Practicable Date and to the best of knowledge and belief of the Company, the following persons were directly or indirectly interested in 5% or more of the nominal value of the issued ordinary shares that carry a right to vote in all circumstances at general meetings of the Company:

Name	Number of issued Shares held/interested	Approximate percentage of shareholding

As at the Latest Practicable Date, such increase may give rise to an obligation to Mr. Fu Wai Chung to make a mandatory offer under the Takeovers Code, subject to the granting of waiver by the executive director of the corporate finance division of the Securities and Futures Commission and any delegate of the executive director pursuant to the Takeovers Code. Save as disclosed above, the Directors are not aware of the consequences of such increases or as a result of repurchases of Shares that would result in the aforesaid persons or any Shareholder, or group of Shareholders acting in concert, becoming obliged to make a mandatory offer under the Takeovers Code. Moreover, the Directors have no present intention to exercise the Repurchase Mandate to such extent as would give rise to an obligation to make a mandatory offer under the Takeovers Code or if the repurchase would result in the number of Shares in the hands of public falling below the prescribed minimum percentage of 25%.
