7. RECOMMENDATION

The Directors believe that the granting of the Issue Mandate and the Repurchase Mandate are in the best interests of the Company and its Shareholders as a whole. Yours faithfully,
By Order of the Board
Hopefluent Group Holdings Limited
FU Wai Chung
Chairman

This appendix I serves as an explanatory statement, as required by the Listing Rules, to provide requisite information to Shareholders for their consideration as to whether to vote for or against the ordinary resolution to be proposed at the 2026 Annual General Meeting for granting the Repurchase Mandate.

This explanatory statement contains all the information required pursuant to Rule 10.06 of the Listing Rules which is set out as follows:

SHARE CAPITAL

As at the Latest Practicable Date, the Company had in issue an aggregate of 674,149,989 shares of HK\$0.01 each which are fully paid and has no treasury shares.

Subject to the passing of the ordinary resolution no. 5 as set out in the notice of 2026 Annual General Meeting and in accordance with the terms therein, the Company would be allowed under the Repurchase Mandate to repurchase fully paid shares up to the aggregate nominal amount of a maximum of 67,414,998 shares on the basis that no further shares will be issued or repurchased prior to the 2026 Annual General Meeting.

If the Company repurchases any shares pursuant to the Repurchase Mandate, the Company will either (i) cancel the shares repurchased and/or (ii) hold such shares in treasury in accordance with the Listing Rules, the Articles of Association and applicable laws and regulations of the Cayman Islands, subject to market conditions and the Company's capital management needs at the relevant time any repurchases of shares are made.

For any treasury shares deposited with central Clearing and Settlement System ("CCASS") pending resale on the Stock Exchange, the Company will adopt appropriate measures to ensure that it does not exercise any Shareholders' rights or receive any entitlements which would otherwise be suspended under the applicable laws if those Shares were registered in the Company's own name as treasury shares, which may include approval by the Board that (i) the Company would not (or would procure its broker not to) give any instructions to Hong Kong Securities Clearing Company Limited to vote at general meetings for the treasury shares deposited with CCASS; and (ii) in the case of dividends or distributions, the Company will withdraw the treasury shares from CCASS, and either re-register them in its own name as treasury shares or cancel them, in each case before the record date for the dividends or distributions.

REASONS FOR SHARE REPURCHASE

Although the Directors have no present intention of repurchasing any securities of the Company, they believe that the flexibility offered by the Repurchase Mandate would be beneficial to the Company and its Shareholders. Trading conditions on the Stock Exchange have sometimes been volatile. At any time in the future when securities trading at a discount to their underlying value, the ability of the Company to repurchase securities will be beneficial to

those Shareholders who retain their investment in the Company since their interests in the assets of the Company would increase in proportion to the number of securities repurchased by the Company and thereby resulting in an increase in net asset value per share and/or earnings per share of the Company. Such repurchases will only be made when the Directors believe that the repurchases will benefit the Company and its Shareholders as a whole.

FUNDING OF REPURCHASES

In repurchasing securities, the Company may only apply funds legally available for such purpose in accordance with the memorandum and articles of association of the Company and the applicable laws and regulations of the Cayman Islands. Securities may only be repurchased out of the profits of the Company or out of the proceeds of a fresh issue of shares made for the purpose of repurchase. The premium, if any, payable on repurchases must have been provided for out of the profits of the Company or out of the Company's share premium account before or at the time the securities are repurchased. The Company may not purchase securities on the Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange from time to time.

During each of the twelve months preceding the Latest Practicable Date, the highest and lowest prices per Share at which shares of the Company were traded are as follows:

REPURCHASES MADE BY THE COMPANY

Neither the Company nor any of its subsidiaries has purchased any of the Company's shares (whether on the Stock Exchange or otherwise) in the six months immediately preceding the Latest Practicable Date.

POSSIBLE MATERIAL ADVERSE IMPACT

There might be material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited accounts for the year ended 31 December, 2025) in the event that the Repurchase Mandate was to be carried out in full at any time during the proposed repurchase period. However, the Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the Company's working capital requirements or the gearing levels. The number of shares to be repurchased on any occasion and the price and other terms upon which the Shares are repurchased will be decided by the Directors at the relevant time having regard to the circumstances then pertaining.

DIRECTORS' UNDERTAKING

The Directors will exercise the powers of the Company to make repurchases under the Repurchase Mandate in accordance with the Listing Rules, laws of the Cayman Islands and the regulations set out in the memorandum and articles of association of the Company and the Directors confirm that neither this explanatory statement nor the Repurchase Mandate has unusual features.

EFFECT OF HONG KONG CODES ON TAKEOVERS AND MERGERS AND SHARES BUY-BACKS

If as a result of share repurchase by the Company, a substantial shareholder's proportionate interest in voting rights of the Company increases, such increase will be treated as an acquisition for the purpose of the Takeovers Code. Accordingly, a Shareholder, or group of Shareholders acting in concert, could, depending on the level of increase in the interest of shareholdings, obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rules 26 and 32 of the Takeovers Code.

As at the Latest Practicable Date and to the best of knowledge and belief of the Company, the following persons were directly or indirectly interested in 5% or more of the nominal value of the issued ordinary shares that carry a right to vote in all circumstances at general meetings of the Company:

Save as disclosed above, the Directors are not aware of the consequences of such increases or as a result of repurchases of Shares that would result in the aforesaid persons or any Shareholder, or group of Shareholders acting in concert, becoming obliged to make a mandatory offer under the Takeovers Code. Moreover, the Directors have no present intention to exercise the Repurchase Mandate to such extent as would give rise to an obligation to make a mandatory offer under the Takeovers Code or if the repurchase would result in the number of Shares in the hands of public falling below the prescribed minimum percentage of 25%.
